

MAYO ILLINOIS ALLIANCE

FOR • TECHNOLOGY • BASED • HEALTHCARE

Please join us to learn more about the Mayo Illinois Alliance and explore opportunities for collaboration.

February 2, 2012

Location: Institute for Genomic Biology Conference Center (612/614)

Continental breakfast will be provided

8:00 - 9:30 a.m.

Overview: Campus Opportunities for Collaboration

9:30 - 10:30 a.m.

Overview: Mayo Center for Individualized Medicine

10:45 - 12:15 p.m.

Collaboration Opportunity Discussion Groups

Computational & Genomic Medicine

Room 612

Computational Infrastructure
Data Visualization
Data Mining
Computational Genomic Tools

Biomarker Discovery

Room 614

Systems Approaches to Biomarker
Discovery
Innovative Detection Mechanisms

.....

The Mayo Illinois Alliance for Technology Based Healthcare provides a framework for cooperative programs in the area of individualized medicine and consists of: (1) integrated research activities focusing on information-based medicine, genomics and point-of-care diagnostics; (2) entrepreneurial modes to ensure full deployment and commercialization of educational and research outcomes; and (3) innovative educational programs to train next generation clinicians and biomedical scientists.
