

INSTITUTE FOR GENOMIC BIOLOGY

IGB/CHBE SEMINAR

“Managing Cells with Synthetic Supramolecular Matrices”

Dr. Samuel I. Stupp, Ph.D.

Professor of Biomedical Engineering

Board of Trustees Professor of Material Science, Chemistry, and Medicine

Director, Institute for BioNanotechnology in Medicine (IBNAM)

Director, Louis A. Simpson and Kimberly K. Querrey Center for Regenerative Nanomedicine

Northwestern University, Evanston, IL

4.15.14

12:00 P.M.

IGB CONFERENCE CENTER
1206 WEST GREGORY DRIVE
URBANA, IL
