

# PIONEERS IN GENOMIC BIOLOGY

---

Molecular Signal Transduction Mechanisms Mediating Drought-  
Induced and CO<sub>2</sub> Regulation of Ion Channels & Plant Water Loss

**Julian I. Schroeder, PhD**  
University of California, San Diego  
Department of Biology

## 04.10.18

---

12:00 PM  
1206 West Gregory Drive  
Urbana, IL  
612 IGB Conference Center  
**Carl R. Woese Institute  
for Genomic Biology**
