

THE IGB PRESENTS

VISIONARIES IN GENOMIC BIOLOGY SERIES

02.17.26 | 12:00 PM | 612 CONFERENCE CENTER

ADAM ARKIN, PHD

*Dean A. Richard Newton
Memorial Professor of
Bioengineering
University of California, Berkeley*

Engineering Microbial Systems for
Transformation, Protection, and Function
Across Extreme Environments

Carl R. Woese Institute
for Genomic Biology

UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN
