

LUNCH WITH

CNRG

Claude

Building LLM Post-Training Projects with Claude Code

Jiajun Fan, a PhD student in the Siebel School of Computing and Data Science, will share some practical experience using Claude Code, an AI coding agent, in his research on post-training large language models, including how he works with the agent day to day and a few lessons learned along the way.

Lunch will be provided

October 15th
12 P.M.

Jiajun Fan
Computer Science Ph.D.
