

Bat Paper Airplane from *Bats at the Library*

©2008 Brian Lies. May be copied
for school, library or home use.

①

1. Fold on line 1 away from this side.
2. Fold corner down along line 2 away from this side.
3. Fold in half along line 3, so bat faces out.
4. Fold wings out along line 4, and wing tips up along line 5.
