How different Pokémon are handling social distancing practices

How are we supposed to practice social distancing with each other?

Wait, we're stuck together so we can't.

Just keep digging!

I want to play with my friend Stoutland but can't. Oh boy do I want to play.

I'll be a good boy and keep my distance—SKWOWET!

This is not new for me. I can handle social distancing.
As hard as it may be for some, social distancing must be done. Try to come up with fun ways to engage with others while at home!
