Postdoctoral Research Association Position

Carl R. Woese Institute for Genomic Biology

A Postdoctoral Research Associate position is available in the Core Facilities at the Carl R. Woese Institute for Genomic Biology. The position would involve teaching Graduate students in small molecule and Natural products research groups to use the 600MHz NMR as well as providing the opportunity to learn scanning probe microscopy, super resolution fluorescence microscopy, and XRay CT imaging.

This is a full-time position as a Postdoctoral Research Associate with Core Facilities. Minimum qualification are a Ph.D. with four years NMR experience

Salary will be commensurate with experience and qualifications.

TO APPLY: Applicants should submit a cover letter, CV, and contact information for three references. This information should be sent to Joyce Koeberlein, at joyce2@illinois.edu with the subject line: Core Facilities PDRA in advance of the June 20th 2021

The University of Illinois is an Equal Opportunity, Affirmative Action employer that recruits and hires qualified candidates without regard to race, color, religion, sex, sexual orientation, gender identity, age, national origin, disability or veteran status.
