VACCINE DISCOVERY KIT

Scientists Needed!

Attention all citizens! Dr. Skeld from the Polusville Center for Disease Control needs help to find a vaccine for the new disease Severe Unicorn Syndrome (SUS). Do you have what it takes to stop the spread of SUS? Sort through data, solve puzzles, and piece together clues in our Vaccine Discovery Boxes!

Vaccine Discovery Boxes will run monthly from May 1st – August 1st. Each month, a Vaccine Discovery Box will be available for download at the link below or pickup at Champaign and Urbana public libraries. Follow the link for more information, including box reservation details.
